

# Innovative Genetic Technologies in Transgenic Mouse Model Generation

Dr. Stephan Sonntag and Dr. Péter Horváth

**Wednesday April 19th**

**5pm**

**Irchel Campus Y23 G04**

## **PolyGene CRISPR and Transgenic Services:**

Novel techniques of custom-designed rodent models

## **PolyGene in-house Research on Gene Regulation:**

Inducible gene expression systems for your research

**To discuss projects contact us!**
