

Innovative Genetic Technologies in Transgenic Mouse Model Generation

Dr. Stephan Sonntag and Dr. Péter Horváth

July 10th at 10:00 am

DZNE e.V. Bonn, University Bonn Medical Center

Building B - Floor 2 - Room 119/120

PolyGene CRISPR and Transgenic Services:

Novel techniques of custom-designed rodent models

PolyGene in-house Research on Gene Regulation:

Inducible gene expression systems for your research
