

# Innovative Genetic Technologies in Transgenic Mouse Model Generation

Dr. Stephan Sonntag and Dr. Péter Horváth

**October 23<sup>rd</sup>** at 12:15 pm

Department of Physiology, University of Lausanne

Seminar Room: level 6

## **PolyGene CRISPR and Transgenic Services:**

Novel techniques of custom-designed rodent models

## **PolyGene in-house Research on Gene Regulation:**

Inducible gene expression systems for your research

**To discuss projects, contact us!**

**PolyGene**  
Transgenetics
